- Stubble Management
- Chemical management
- Group Facilitation

Small organisation and Big administration

- OH&S is an obligation
- Sharing information can lighten the load
- Victorian Grower Group Alliance OH&S project.

Our Issues

- An outside review is good
- Good intent
- Average system
 - Training
 - Hazard identification
 - Control measures

Our Issues

■ Our big risks

- Working alone
- Manual handling
- Field days

■ Don't forget Contractors
