

# Northern and Yorke Drought Resilience Community Workshops: Eudunda

**Where: Eudunda RSL, 2 Railway Parade.**

**When: 4:30 pm to 7:00 pm on 12 April 2022.**

Join us to explore drought resilience from a farm, business supply chain, health and community perspective. As part of the ongoing community engagement process regarding drought resilience, a series of workshops are being held throughout the Northern and Yorke Region. Topics for discussion include:

- Key drought-related risks and opportunities for resilience building.
- Discuss opportunities to buffer your property and business from the impacts of drought.
  - Prioritise drought resilience measures for community, businesses, agricultural supply chains and farm business.
