

## Wudinna, Wednesday 8 March 2023

Venue Wudinna Community Club, 43 Medley Terrace, Wudinna, SA, 5652

Time 9:00am – 6:00pm

### About MeatUp

MLA MeatUp Forums, first held in 2021, deliver the latest in red meat Research, Development and Adoption (RD&A) and are held throughout southern Australia. MeatUp Forums are designed by producers for beef, sheep and goat producers through the input of Regional Producer Working Groups.

This means the program is purposely designed to be relevant to the needs and interests of red meat producers in the local region that MeatUp is being held.

MeatUp Forums are an MLA initiative and delivered by Pinion Advisory.

### Why should I attend MeatUp?

- Hear about the latest, locally relevant on-farm RD&A.
- Hear from and network with leading producers, industry representatives, advisors and researchers.
- Gain insights into tools and programs available as next steps to improve your business.
- Identify opportunities to drive on-farm productivity and profitability.

### Wudinna event features

- Producer presenters share practical, commercial insights from their sheep enterprises.
- Key topics include getting the most from mixed farming systems, effective legume pasture systems, improving grazing management decision making, optimising reproduction, carbon, smart implementation of eID and more.
- An update from MLA including market insights and research, development and adoption program investments and opportunities.
- Be taken on a virtual farm tour and engage with the host during an interactive Q&A session.
- Networking drinks to wrap up the day.

#### Cost:

- MLA Member \$25 GST inc.
- Non-member \$50 GST inc (includes researchers, Department staff, service providers and producers who are non-MLA members).
