

SARDI Farmer Meetings

The South Australian Research and Development Institute (SARDI) is hosting farmer meetings across the upper Eyre Peninsula.

SARDI Farmer Meetings provide an excellent opportunity for a seasonal review of current research. Speakers will include Amanda Cook, Brian Dzoma, Fiona Tomney, Kym Zeppel, Naomi Scholz and Nigel Wilhelm. The program will vary by venue, and some presentations will be pre-recorded.

Topics

- Barley grass resistance
- Annual legumes
- Seed priming
- Rhizoctonia
- Sandy soils
- Calcareous soils
- AgTech
- SA Drought Hub - Strip and disc systems and best practice for early sowing
