

GRDC GROWER FORUM

TUESDAY 27 JUNE, 1.00pm - 5.00pm
NARACOORTE TOWN HALL

Photo: Nicole Baxter.

You are invited to attend a GRDC Grower Network Forum, which will be held at the Naracoorte Town Hall on Tuesday 27 June, 2023. Come along and contribute your suggestions for future GRDC investments in research, development and extension.

The forum will gather your feedback and input into your local research and extension needs, and consider how GRDC investments could add further value. The forum will provide an update on local GRDC investments and feature a project update from Greta Duff, from Southern Farming Systems, on recovery strategies for water logged crops. Adam Hancock, Elders Agronomist and past GRDC Grower Network Member, will provide an update on nitrogen strategies to mitigate yield loss from water logging.

The forum is free of charge and will be led by GRDC Grower Relations Managers Courtney Ramsey and Rebekah Starick.

A facilitated workshop session will allow you to contribute the factors which are impacting your farm productivity and profitability. We will also review opportunities for local GRDC research, development and extension support.

All growers, advisers and industry representatives are welcome. Note that registration is essential to ensure a COVID-safe event.

Please bring your laptop or tablet for use during the workshop session. Devices will also be provided.
