Presented by

Jeanette Long | Ag Consulting Co

Jeanette Long is a Director and Facilitator, Trainer and Coach for Ag Consulting Co. She is passionate about developing people skills in agriculture. Jeanette delivers a range of training programs, manages projects as well as coaching individuals. She assists organisations and farm families with succession, strategic and business planning.

Danielle Lannin England | AgInnovate

Danielle is passionate about 'people in agriculture'. She has spent 20 years delivering tailored strategic people and culture solutions to project teams, farm businesses and grower groups. This has included workshops and training days creating solutions for on-farm communication and team building, strategic business planning and people solutions.
