

GRDC GROWER FORUM

WEDNESDAY 13 SEPTEMBER, 9.00am - 12.45pm
CLARE

Photo: Nicole Baxter.

You are invited to attend a GRDC Grower Network Forum, which will be held at the Clare Oval, Clare Sporting Bodies Complex on Wednesday 13th September, 2023. Come along and contribute your suggestions for future GRDC investments in research, development and extension.

The forum will gather your feedback and input into your local research and extension needs, and consider how GRDC investments could add further value. The forum will provide an update on local GRDC investments and feature a project update from Sarah Day from SARDI on pulse agronomy and production in the Mid North.

The forum is free of charge and will be led by GRDC Grower Relations Manager Tim Bateman and Rebekah Starick.

A facilitated workshop session will allow you to contribute the factors which are impacting your farm productivity and profitability. We will also review opportunities for local GRDC research, development and extension support.

All growers, advisers and industry representatives are welcome. Note that registration is essential for catering purposes.

Please bring your laptop or tablet for use during the workshop session. Devices will also be provided.
