CHAIRMAN'S WELCOME TO THE 2024 FIELD DAYS

Welcome to the 44th running of the South East Field Days. Once again, our committee have been busy putting together a number of attractions to suit all family members. Cindy Bunt a well-known local, will be holding cooking demonstrations on both days, Dr. Melissa Fraser will help you understand your soils with her presentations and there will be demonstrations by the Limestone Coast Food and Makers group.

After a successful beginning last year, the Ag Tech Centre will have more companies showcasing their products along with interesting presentations. After winning over new fans last year Angela Eason is back singing some great country music and the South Australian Police Band will keep you entertained as well. T C Trickz Motorbike Stunt Show along with Can Am Addicted to Mud are shows not to be missed. S. A. Yard Dog Association will be conducting the 2024 State Championship and as always there is the Blue Yakka Trail for the children. For more attractions see the attractions page.

The Yakka Park field day site is looking a picture thanks to the dedicated volunteers keeping it watered, mowed and maintained making it one of the most pleasant field days to walk around in the country.

The Lucindale Lions Club along with the South East Field Day Committee hope that all exhibitors, visitors and general public have a great two days and thank you for supporting us in 2024.

Kevin Baker

2024 Coprice South Australian Yard dog Championship

This Year "Kelpie Korner" and the South East Field Days are again hosting the South Australian Yard Dog State Championship.

"Kelpie Korner" in the north western corner of Yakka Park is where all the action will take place. Top dogs and stockmen/women from South Australia and interstate will converge on the venue to compete for lucrative prize money, trophies & the honour of being crowned the 2024 Coprice South Australian Yard Dog Champion.

Dogs, their handlers and support teams will travel to Lucindale to contest the following classes, Encourage, Maiden, Novice, Novice Championship, Improver, Open & State Championship.

Last year's State Champion Handler Josh Latty will be back to defend the title as well as previous championship winners Lyndon Cooper, Geoff McDougall & Lucindale's own Rex Hocking.

With the Australian Yard Dog Championship & National Kelpie Field Trial Championship being held in Western Australia at the beginning of April many of Australia's best dogs and handlers will be using the SAYDA Championships as a warm up for the Australian Championships.

There will be puppies on display in the "Puppy Pound" which are always a hit with the kids.

The first events kick off on Thursday 14th March being Maiden class on course 2 & the Improver and Novice Championship Classes on course 1. The first rounds of the Open class & the Novice classes are programmed for Friday & the State Championship will be finalised on Saturday. Saturday will also see the Encourage class that attracts new handlers to trialling and is very popular with their supporters and the public.

We are grateful to our generous sponsors Coprice, Elders Lucindale, Lucindale Engineering, Millicent & Kingston Veterinary Services, RJC Evans & Co, Bendigo Bank, Lucindale Hotel, Quality Wool, Crown Inn Kingston, Bentleys SA/NT, Mini Jumbuck, Shane and Tania Kelsh from Kelsh Transport for the transport of the sheep, Nickalai Farms for supplying the sheep for the trial and the South East Field Days committee for their support of the trial.

WALL TO WALL MEMORIAL RIDE

Saturday March 16th 2024 a Memorial Ride for local Police Officer Jason DOIG will be held, commencing at Murray Bridge and concluding with the arrival of the ride group at the South East Field Day around 1.00pm.

Jason Doig was stationed at the Lucindale Police Station since 2011 and was an integral part of the Lucindale and broader South-East community.

On the evening of Thursday November 16th 2023 Brevet Sergeant DOIG and two other officers from the Bordertown Police station attended an incident at nearby Senior, north of Bordertown. Tragically as a result of that incident, Brevet Sergeant DOIG was fatally shot. Sergeant Michael Hutchinson also suffered gunshot wounds during the shooting, while Constable Rebekah Cass was uninjured and desperately tried to provide aid to both her injured colleagues.

Jason was well respected in the Lucindale community, he was a proud member of the community and shared his love of outdoor activities with family and friends. Jason loved his camping, fishing, cars and four wheel driving, skiing and motorcycling.

Jason loved his Ducati, in 2022, he rode to Canberra in the annual Wall to Wall Ride, a Police Remembrance Ride from each of the States and Territories of Australia to the National Police Memorial in Kings Park, Canberra.

The Police Memorial Wall has a plaque for each of the police officers killed in the line of duty. Sadly, Jason's name will be added to the 823 names already on the wall at the annual Police Remembrance Day ceremony on September 29.

The last SAPOL officer who died in the line of duty was Senior Constable Bogdan 'Bob' Sobczak, a motorcycle officer who was killed in a road crash in 2002.

Jason was the 63rd South Australian police officer killed in the line of duty since it's commencement in 1838.

To remember and celebrate the life of Jason, a memorial motorcycle ride will arrive at the South East Field Day in Lucindale at 1.00pm.

This is a time to reflect on the sacrifice of Jason, but also to remember the actions and duty of police in keeping the community safe.

We also wish to acknowledge the role of the emergency first responders, the Police, Ambulance and fire officers, medical staff and local services.

Registration fees for the motorcycle ride will go to a fund in honour of Jason to fund Youth Initiatives in the South East.

Remember Jason, enjoy the outdoors, stay safe, look out for each other and where possible, help somebody.
