## Livestock Strategies for the Next 100 Days

With a challenging start to the season hear from topic experts on developing strategies going forward including:

- Felicity Turner, Turner Agribusiness  
Looking after your livestock and feedbase - the importance of decision making tools to forecast and make decisions.
- Deb Scammell, Talking Livestock  
Early weaning lambs & calves – when and how?
- Ken Solly - Coping better with dry times.
- Mary Chirgwin - Vaccine coverage in dry times.
