

# FOCUS ON PHOSPHORUS FORUM

Thursday 28 August 2025 | 8:45am-12.30pm  
Lucindale Football Clubrooms  
3 Centenary Avenue, Lucindale

- Keen to get your phosphorus management back on track?
- Not sure where to start?
- Concerns about the effect of the season on P application?

**Join leading researchers in the field to understand best practice management of calcareous soils and the use of phosphorus fertiliser, and how P is used in our farming systems.**

## Speakers and Topics include:

- **Adam Hancock, Agronomist:** *SAGIT phosphorus project, Variable Rate Application*
- **Therese McBeath, CSIRO Waite:** *Understanding constraints to phosphorus on calcareous soils*
- **Nigel Wilhelm, SARDI:** *Phosphorus sources and strategy*
- **Sean Mason:** *Soil testing options and critical values*
- **Dr Mel Fraser, Soil Function Consulting:** *Strategies for practical decisions*

**MFMG Members \$25**

**Additional MFMG primary producer members \$15**

**Non MFMG members \$100**

Includes morning tea and light lunch.

**Registration essential by Monday 25 August, members will need to login to receive members pricing.**
