Age Group

Please briefly describe your past and current involvement in primary production and your knowledge of farming systems on the Fleurieu Peninsula.

Please provide a brief response on how you meet the following criteria for Board membership (Note : Not all Board members will individually be expected to meet all criteria. If particular criteria do not apply to you, mark them "NA").

1. Well networked in primary industries and the region, particularly with farming groups (if so, which ones?).

2. Enthusiasm for, and interest in, on-farm adoption of innovation and continuous improvement across all elements of the farm business (productivity, sustainability, people).

3. Good communication skills

4. Ability to think strategically

5. Skills in leading and managing people.

6. Knowledge of Research, Development and Extension frameworks and scientific rigour.

Do you have any other skills and/or experience that you believe would be useful to the Board?

Why would you like to join the Fleurieu Farming Systems Board?
